Dear Lori,

Popp.Com, Inc.'s is no longer providing telecommunications services or doing business in Arizona. We stopped doing business and providing telecommunications services in Arizona not later than May 31, 2016. Popp.Com, Inc.'s has no employees, facilities or assets in Arizona. Please cancel the Certificate of Convenience and Necessity under Docket No. T-02575B.

In addition, I would like to formally request that under Arizona Administrative Rule R14-2-1107(A)(1), we be granted a waiver from providing direct notice of discontinuance of service to customers and a waiver from R14-2-1107(B) - published legal notice of the application in all counties affected by the application. Since Popp.Com, Inc.'s has no customers, there are no customers to provide direct notice of discontinuance of service to and as there are no customers, no counties are affected by this application.

Thank you for your assistance in this matter,

Barbara Bernard
